This month in Sunday School

Loving Our Neighbors in Haiti

In this cycle we will use Scripture, including the 23rd Psalm to talk about God's presence with us in times of difficulty. We will learn about our neighbors in Haiti and their customs and about supporting them in their rebuilding efforts.

In connection with this, the loose offering from the Sunday Services on February 5th will be sent to *Episcopal Relief and Development* for the building of homes in Haiti.

The Mystery of Easter

This workshop cycle will focus on three of the Stations of the Cross: *Jesus falls down*, *Jesus carries his cross*, and *Jesus is helped by his friends*. We will talk about carrying heavy burdens, examine the interactions Jesus had with his friends on the way to the cross, and emphasize the importance of friendship.

Sunday, February 5 and 19
11:00 am – Listen for the Sunday School Bell!

Sunday, February 26 and
March 11 and 18
11:00 am – Listen for the Sunday School Bell!

Opportunities

MINISTRY OPPORTUNITIES FOR PARENTS

We especially need parents to help with the upcoming spring Sunday School Workshop Cycles

Learn more of the Sacred Story and put your faith into action by leading a Sunday School workshop cycle for three or four weeks. Let us know what you like to do – art, drama, games, storytelling, music, computers, cooking. We'll provide the curriculum and support and you'll be strengthening both your faith and those of the young ones in our midst.
